A "BIG" WEEK

In Politics is what the Present One is Going to be.

TO-NIGHT'S BIG DEMONSTRATION

In Bellairs will start the Ball Rolling, and Other Events Follow in Quick Succession—Bryan over the River To-morrow—Union Generals at Steubenville. The Frye-Elkins Meeting Wednesday. Other Political News.

This is to be a busy week in this section politically.

As a starter the Bellairs Republicans will have their great demonstration this evening, at which the principal speakers will be Judge George K. Nash, of Columbus, and Judge Jesse Hollingsworth, of Belmont county. The Wheeling clubs will be there in force, together with those of Bridgeport, Martin's Ferry, Benwood and other neighboring towns. It bids fair to be a great demonstration.

To-morrow morning the "king bee" of the Popocrats, William Jennings Bryan himself, will be in this neighborhood. He will arrive at Bellairs from the west over the Baltimore & Ohio road early Tuesday morning, and at 7 o'clock will make a short speech from the car platform. Thence, the special train comes up the Cleveland & Pittsburgh road with a five minutes speech at Bridgeport and ten minutes at Martin's Ferry. At Steubenville and other up river towns speeches will be made in the morning, and in the afternoon the nominee will be at Youngstown, winding up the day at Cleveland.

On Tuesday evening the clubs will be out and escort Hon. A. W. Campbell to the island, where he will make his first address of the campaign in West Virginia. He has been speaking in New York state, where his work has been most effective in the cause of sound money and protection. On Friday afternoon Mr. Campbell and Mr. W. H. Hearne will address the voters of West Liberty.

Wednesday will be a big day here. In the afternoon Senator William F. Frye, of Maine, will speak at the Terminal station grounds, unless the weather is bad, in which case his meeting will be held indoors. In the evening Senator Elkins will speak. The clubs will turn out for escort duty to both speakers.

On Thursday the Republican clubs will "excure" to Parkersburg, where Wood county Republicans expect to have one of the greatest political demonstrations in the history of the state. Probably 2,000 Wheeling people will be in evidence.

On Friday the Wheeling clubs will attend the Bridgeport demonstration, and on Saturday occurs the great Wheeling demonstration, to which clubs from all cities and towns within a radius of 100 miles have been invited. It will eclipse anything yet seen in Wheeling.

BELLAIRES DEMONSTRATION

To-night will be a Great One—Wheeling Clubs will be There in Force—Speeches by Messrs. Hollingsworth and Nash.

Bellairs Republicans have made all arrangements for a great demonstration to-night. The paved streets in that town will keep the marching clubs from getting into the mud from the rain that has fallen and cars will be taken not to leave the paved streets. The city will be decorated from end to end with flags, bunting and pictures of McKinley and Hobart. The line of march extends the principal part of the city, but the enthusiasm for a great demonstration extends to the surrounding country. There will be a hundred horsemen in line at the head of the procession.

The Wheeling clubs, Benwood, Martin's Ferry and Bridgeport will have the right of the line, and the Bellairs club will be formed at the head of the ferry landing to receive the West Virginia delegations with a blaze of enthusiasm. They are expected to arrive between 7:30 and 8 o'clock, Wheeling time, and Chief Marshal John Dullis has issued the following order:

All Republican clubs intending to participate in the parade on Monday evening, October 19, will assemble at 7 o'clock on that evening and report at the public square at 7:30 and take the positions as assigned them below.

The following aides are appointed and will report, mounted, at the corner of Belmont street and Central avenue not later than 7:15 p. m. Aides will wear white sashes: W. S. Heatherington, Peter Hiley, Dr. W. O. Piper, Henry W. Bahr, and Joseph W. Heatherington.

By order of JOHN DUBOIS, Chief Marshal, E. H. RIDER, Adjutant.

The speaking by Hon. J. W. Hollingsworth and Judge George K. Nash will take place at the Turner hall. The reception committee is composed of A. T. Stewart, James F. Anderson and Dr. J. C. McCollough. Mr. Hollingsworth will preside with the following vice-presidents:

John Kirkpatrick, M. T. Carnes, O. Criswell, Joseph Clements, R. H. Moore, J. C. Nichols, J. W. Morrell, George Severs, C. V. Leach, Henry Bonarius, Wesley Harvey, W. S. Carroll, James F. Anderson, John Shipman, W. H. Thompson, Capt. John Garrett, W. F. Litten, T. L. Fawcett, Andy Turnam, John Holt, August Bahr, Jr., Jacob Heatherington.

The Bellairs Young Men's Sound Money club now numbers over 100 enrolled members, and they will all be out with high hats to-night. The Gravel

after which they marched over the town and up to North Benwood, where they received a perfect ovation.

Fifty Horsemen from Maryland, Five and drum corps, Atkinson club, Eighth ward, C. B. Hart club, Eighth ward, Dover club, Eighth ward, Polish Republican club, Benwood, Moundsville Band, Blackburn Cadets of Bellairs, McKinley and Hobart club of Bellairs, Mark Hanna club, of Benwood, McKinley and Hobart club of North Benwood, Polish McKinley and Hobart club, Benwood Republican club, Hack with speakers, Moundsville Republican club.

It was late when the clubs started and nearly 10 o'clock when they had gone over the route and were drawn up in front of the speaker's stand. On the stand were Messrs. G. W. Atkinson, M. A. Kendall, Republican candidate for state treasurer, Prof. Huger, John James and other well known citizens.

The meeting was called to order by Prof. Huger, who named Mr. John James as the chairman. Mr. James in a brief speech introduced Hon. G. W. Atkinson, the next governor of West Virginia, and the crowd cheered the announcement for several minutes.

Mr. Atkinson expressed himself as being greatly surprised at the size and quality of the escort and the enthusiasm displayed. He said it was but a sample of the interest being taken in the campaign all over the state, which he had covered pretty thoroughly, and was glad to say that he found everything and every place a stronghold of McKinleyism.

Mr. Atkinson spoke of the tariff question and referred to the Popocrats being afraid to tackle that question this year, and that as soon as that issue presents itself they hide their heads in shame. He then took up the money question and handled it in an intelligent and logical manner. His arguments were all received with enthusiastic applause and every point in his address was taken up and given the approval of the crowd.

Mr. Atkinson was followed briefly by Mr. Kendall who spoke on the issues of the campaign. He was also loudly applauded by the audience.

It was a great meeting and a great parade and the effects of it will be felt at the polls in November.

AN EXPERT OBSERVER

Predicts McKinley's Triumph—A Newspaper Man's View.

Mr. Henry M. Stoddard, staff correspondent of the New York Mail and Express, is in the city to look over the political field. Mr. Stoddard is one of the most expert of political observers and very careful in forming a judgment. He has just been in the west looking the ground over. As he sees it there is a close fight in Indiana and Kansas, but Indiana is safe for McKinley and in Kansas the chances favor Bryan. In the Dakotas the fight is "as hot as a hot poker," and both are likely to go for McKinley. Illinois and Michigan are certain to go that way by large majorities. The majority in Nebraska will not be large, but the showing favors McKinley. Mr. Stoddard says that the Bryan people will lose the city of New York and be beaten in the state by something over 250,000.

The Generals at Steubenville.

The great war heroes, Gen. Daniel E. Sickles, of New York, Gen. Franz Sigel, Gen. Russell A. Alger, of Michigan, Corporal Tanner, of Washington, D. C., and other prominent speakers will address the big meeting at Steubenville at 1:30 p. m. to-day. For this great occasion the Wheeling & Lake Erie railway will sell special fare tickets.

POLITICAL NOTES.

Meetings in the Future and Gossip About the Clubs.

The Elkins Cadets are called to meet at their headquarters this evening at 7 o'clock, to go to Bellairs. The Cadets are making great preparations for Wednesday, Elkins day, and expect it to be a grand success. The Cadets had invitations to participate in the parade this evening at Steubenville and McKeesport, but declined in order to go to Bellairs. All the Cadets are urged to come out to-night.

The members of the Junior Tariff Champions are called to meet at 6:30 sharp, to attend the meeting at Bellairs.

The Republicans of the Island organized a marching club Saturday night, and will be seen for the first time in to-morrow night's parade. The club has been named the New Logan club, and will turn out a large crowd, especially next Saturday night.

The Junior Tariff Champions were in the parade Saturday night. A Sunday paper called them the C. B. Hart Cadets, who were not in the line.

All Island Republicans are requested to meet at the club room on South Broadway, Island, this evening, at 7:30 o'clock.

The H. C. Richards Six Footers are called to meet at the Odd Fellows hall this evening at 7 o'clock sharp, to take part in the Bellairs rally.

The Tariff Champions will meet to-night at 6:30 for the trip to Bellairs. Every member should be on hand promptly.

The Register said that Mr. D. E. Ritz, a native son of this city, had "flipped" and was now a free silver man. This is entirely false. Mr. Ritz desires to be distinctly understood that he has never even thought of casting his vote for any other man than Major McKinley.

The Danford Guards, of Martin's Ferry, will be here Wednesday night, to participate in the parade at Senator Elkins. They will be guests of the Elkins Cadets, during their stay here.

Hon. Delmore Elwell, of Brooklyn, and Captain Jack Crawford, held a great meeting at Parkersburg, Saturday night.

The E. B. Drovers club will be presented with a handsome banner to-night by its lady friends. The presentation will take place at the pole near Elkins Bros tobacco works, and will no doubt be witnessed by a large crowd. The presentation will be made by Mr. H. C. Richards, and the banner will be accepted on behalf of the club by Mr. Richard Robertson. The meeting will be a brief one, and will be over in time for the club to take the cars for Bellairs.

Senator Hile III.

NASHVILLE, Tenn., Oct. 18.—Senator W. B. Hile is very sick and has been so for a week. He has been forbidden during that time to see visitors. To-day he is somewhat improved and his physicians hope to be able to see him out in a week. His appointments have been cancelled.

HELD UP A TOWN.

A Raid by Bandits on the Village of Carney, Arkansas.

GUTHRIE, Okla., Oct. 18.—Further particulars were received here to-day of the raid of the little town of Carney, about twenty miles east of here, last night. About 9 o'clock at night six masked and heavily armed outlaws, supposed to have been headed by the notorious "Dynamite Dick," one of the associates of the Daltons and Eli Doolan, rode into the place and literally "held up" the town.

Carney is a town of about three hundred people. The robbers entered the village from the north with a great show of firearms. Two of the outlaws entered the general store of B. Fouts and compelled him and his son to open the safe. After securing about \$500 from them they bound both the father and son, threw them upon horses and carried them about two miles out of town, where they tied them to a tree. In the meantime the rest of the gang had entered the postoffice, but failing to secure anything of value, they raided the hotel, compelling the proprietor and several traveling men who were stopping there, to turn over their money, watches and jewelry. Several smaller stores were also raided. Before entering Carney the outlaws had taken the precaution to cut the telephone wires leading to Chadler, so that there might be no chance of a failure.

During the raid the bandits kept up a fusillade of bullets in all directions, terrorizing the inhabitants so that very little effort was made to resist the raiders.

It was some time after the bandits had left before order could be restored and an organized pursuit begun. Finally, after considerable delay, about 100 armed men began the chase. The pursuers were divided into three bands and went in different directions. At dark to-night the bandits had not been overtaken. Early this morning a band of four men, believed to have been members of the gang that raided Carney, appeared at Mulhall, held up a livery stable keeper and compelled him to supply them with a relay of fresh horses. News was also received to-day at the United States marshal's office that two men supposed to have been members of the gang, had stopped at a farm house about fifteen miles north-east of here and demanded food. Several United States marshals headed by Deputy Concord, are in pursuit.

BROKEN SHAFT.

The Steamship Paris Meets with an Accident, but Arrives Safe.

SOUTHAMPTON, Oct. 18.—The American line steamship Paris, Captain Watkins, from New York, October 7, reached her dock in this city at 9 o'clock this morning.

She reports that at 9 o'clock a. m. on October 8, in lat. 40 degrees 45 minutes north and in longitude 67 degrees west, while going at a moderate rate of speed and in calm weather her starboard tail shaft broke. The engines were immediately stopped and a boat lowered and an examination made, from it was ascertained that the propeller had been jammed and broken. The shaft was secured and the ship proceeded with one engine.

There was not the slightest uneasiness amongst the passengers over the turn of affairs and the officers were all perfectly cool.

The North German Lloyd steamship Fuerst Bismarck (which arrived in New York on October 9, bringing the first news that the Paris was disabled) was sighted two hours after the ship under way again.

The Paris kept in the track of west-bound steamers during the voyage in order to be reported and to be able to request aid if it were needed. The weather was moderate and fine throughout the voyage except on two occasions, when there were gales.

No cause is assigned for the accident, but it is thought to have been due to a flaw in the shaft.

The passengers stated that they had a pleasant trip and some expressed themselves as being sorry that the voyage was ended. All speak in the highest terms of the coolness and seamanship displayed by the officers, in whom they had the most complete confidence.

FACTIONS UNITED

By a Display of Good Will by the President of Mexico.

MEXICO CITY, Oct. 18.—An event marking the close of a great historic episode occurred yesterday when the Belgian minister, in the name of his majesty, Leopold II, king of the Belgians, bestowed on President Diaz as a mark of the honorable regard in which the president of Mexico is held in Belgium. The significance of this act lies in the fact that King Leopold is the brother of the late Empress Carlotta, of Mexico, and his bestowal of the order upon the president of the republic is an indication that the Maximilian episode is now definitely closed.

President Diaz has, as a matter of public policy, and as a means of drawing all parties and factions together and obliterating the past, bestowed high offices upon distinguished adherents of the late empire, and thus brought about an era of good feeling and fraternal sentiment previously unknown in Mexico.

International Organization.

NEW YORK, Oct. 18.—Edward McHugh, of the Liverpool (England) Watermen's Union, who came to this country recently as a delegate of the international society of dock laborers and freight handlers, held a secret conference to-day with a dozen members of the Longshoremen's Union of this city. The purpose of the conference was to get the several unions here to join the international society and to enlarge the organization.

Plans were discussed and it was decided to follow the suggestions of Mr. McHugh in the matter of an international arrangement.
